History of the French Revolution, from 1789-1814

The French Revolution 1787-1804 This Volume contains papers presented at a symposium organized by the Center for Austrian Studies and held at the University of Minnesota in May 1989. Scholars from Austria, England, Canada, and the United States, specializing in Austrian history, music, art, and literature met to discuss a number of common topics and themes form a variety of perspectives relating to Austria in the age of the French Revolution. The symposium was remarkable for the congeniality of the participants and the easy and fruitful way in which they exchanged ideas and blended their approaches and insights. The development of Austrian diplomacy, warfare, society, and culture in the period, and the impact of the French Enlightenment and Revolution on Austrian art, literature, music, drama, and journalism are explored in the essays that appear in this study.

The French Revolution from 1789 to 1815

History of Europe From the Commencement of the French Revolution in 1789, to the Restoration of the Bourbons in 1815, Vol. 2 of 4 (Classic Reprint) Focusing on the social, economic, and political developments in one neighborhood, and particularly on the origin, growth, and decline of its revolutionary institutions, he shows the impact of the Revolution on its citizens. At the same time, he reveals the contributions of average men and women, the so-called petits gens, to the changes that occurred in France between 1789 and 1795. Originally published in 1984. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

The French Revolution, 1789-1795

The French Revolution, a Political History 1789-1804 Volume 1

A Short History of the French Revolution, 1789-1799 The French Revolution can be seen as an enormous explosion of civic energy with huge ramifications for the rest of the world. In this balanced and accessible account, P.M Jones: Considers the build-up of pressure between 1787 and 1789 as the power of
the ancien régime began to crumble. Analyses the dramatic events that began with the taking of the Bastille in 1789 and led to the establishment of a radical new order. Examines the demise of the Republic in 1804 and assesses the wider significance of the revolutionary decade. At the core of the Revolution lay the realisation among ordinary men and women that the human condition was not fixed until the end of time, but could be altered for the better. However, it was soon discovered that the task of building a new and better society would require huge amounts of effort and ingenuity – as well as suffering on a massive scale. This new edition of P.M. Jones’s authoritative overview has been significantly revised to include new material on politics, state violence, the army and citizenship in the French Caribbean colonies. In addition, it includes an expanded selection of original documents and illuminating contemporary images. P. M. JONES is Professor of French History at the University of Birmingham. He has written extensively on the French Revolution and French rural history.

Die Französische Revolution 1789-1799

The Great French Revolution, 1789-1793 A 1995 study of the navy in the French Revolution, revealing its crucial role in the political conflict.

Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Press in the French Revolution An entertaining and eye-opening look at the French Revolution, by Stephen Clarke, author of 1000 Years of Annoying the French and A Year in the Merde. The French Revolution and What Went Wrong looks back at the French Revolution and how it’s surrounded in a myth. In 1789, almost no one in France wanted to oust the king, let alone guillotine him. But things quickly escalated until there was no turning back. The French Revolution and What Went Wrong looks at what went wrong and why France would be better off if they had kept their monarchy.

History of the French Revolution from 1789 to 1814 Tells story of the French Revolution and its tremendous impact on other European countries.
